THE TENNESSEE PAIN SOCIETY CALL FOR ABSTRACTS 2018

ABSTRACT SUBMISSION DEADLINE: September 1, 2018 at 5:00 p.m. Eastern

ONLY TRAINEES (RESIDENTS, FELLOWS, AND MEDICAL STUDENTS) OR PHYSICIANS IN PRACTICE FIVE YEARS OR LESS MAY SUBMIT AN ABSTRACT.

INTRODUCTION

We are pleased to announce the **CALL FOR ABSTRACTS** for posters and or oral presentations at the 2018 Annual Meeting and Scientific Sessions, October 19-21, 2018 at the Gaylord Opryland Hotel Nashville, Tennessee. We invite all Trainees (Residents, Fellows, Medical Students, trainee HCP's) with an interest in pain management to submit an abstract on or before September 1, 2018. The Tennessee Pain Society of Program Committee will review all submitted abstracts and will determine whether abstracts will be accepted for poster presentation. All poster presentations by Trainees will then be eligible to participate in an Oral presentation of the Poster on Friday, October 19, 2018. Notification regarding the status (accepted or rejected) will be sent to the presenting author of the abstract by: September 18, 2018.

Each trainee whose abstract is accepted for poster presentation will receive the following:

1. waived registration to attend the annual meeting;
2. an invite to a special trainee networking and education dinner program titled "How to Negotiate your First Employment Agreement" on Friday, October 19; and
3. Trainee membership in the society for 2018-2019.

In addition, there will be two (2) prizes for "Best of Meeting" Abstracts: one based on the abstract submission and one based on an oral presentation in the inaugural Trainee Oral Poster Competition. Each winner (presenting author) of the "Best of Meeting" competition must attend the Annual Meeting to receive the following:

1. A \$500 cash prize
2. Award Presentation at the Annual Business Meeting on Saturday, October 20, 2018.
3. Award Recognition on the Society Website: www.tennesseepain.org

The presenting author must be a trainee (Resident, Fellow, Medical Student, Trainee HCP) and is required to ensure that all co-authors are aware of the content of the abstract before submission to the Program Committee. Co-authors need not be practicing five years or less, Residents, Fellows, or Medical Students.

Only the abstracts of registered presenting authors will be included in the final program and on the program materials distributed to attendees.

All abstracts accepted for poster presentation will be part of a poster competition with a three-minute oral presentation component to be held at the meeting.

SCORING CRITERIA

Abstracts will be scored using the following criteria:

Each abstract will be awarded up to 5 points in each of four categories (total 20 = best score)

- Category 1 – Originality
- Category 2 - Clinical Relevance
- Category 3 – Clarity of Writing
- Category 4 – Overall Impression

SUBMISSION

Submit directly to: terri@tennesseepain.org

RULES FOR SUBMISSION

All abstracts must be submitted and presented in clear English with accurate grammar and spelling of a quality suitable for publication. If you need help, please arrange for the review of your abstract by a colleague who is a native English speaker, by a university scientific publications office (or other similar facility) or by a copy editor, prior to submission. All abstracts must be submitted in Microsoft WORD format.

The author is expected to attend the meeting and present the poster. If an abstract was previously submitted to a different meeting it may still be submitted to the Pain Society of the Carolinas Annual Meeting and Scientific Sessions.

The submission to Terri@carolinapain.org does NOT allow you to store your abstract as a draft in order to make changes. Please note that abstracts must be SUBMITTED before the deadline in order to be sent to review for inclusion in the scientific program.

CONFIRMATION

Please be advised that you will be requested to confirm the following information when you submit your abstract. *I confirm that I previewed this abstract and that all information is correct. I accept that the content of this abstract cannot be modified or corrected after final submission and I am aware that it will be published exactly as submitted. Submission of the abstract constitutes my consent to publication (e.g. meeting website, program, other promotions, etc.) The Abstract Submitter warrants and represents that he/she is the sole owner or has the rights of all the information and content ("Content") provided to The Tennessee Pain Society. The publication of the abstract does not infringe on any third party rights including, but not limited to, intellectual property rights. The Abstract Submitter grants the Tennessee Pain Society a royalty-free, perpetual, irrevocable nonexclusive license to use, reproduce, publish, translate, distribute, and display the Content. The Tennessee Pain Society reserves the right to remove from any publication an abstract that does not comply with the above.*

I herewith confirm that the contact details saved in this system are those of the corresponding author, who will be notified about the status of the abstract. The corresponding author is responsible for informing the other authors about the status of the abstract.

IMPORTANT NOTE – YOUR LOCAL ETHICS COMMITTEE APPROVAL

Only work that has received your local animal or human ethics committee approval as appropriate will be considered for presentation and publication. A statement indicating ethics committee approval has been granted should be incorporated into the abstract and you will be requested to confirm that

approval has been applied for/granted before you submit your abstract. When submitting your abstract, please upload your Ethics Committee Approval as a picture or as text pasted into the Abstract text field. Abstracts that have not received approval will not be accepted - unless they fit into the special categories below.

Your Local Ethics Committee approval is required for the following scenarios:

1. If there are patients involved in the study
2. Anonymous Retrospective Data Collection – unless local committee authorizes otherwise
3. Audit Study – unless local committee authorizes otherwise

Your Local Ethics committee approval is NOT required for the following scenarios:

1. Questionnaire survey of medical personnel
2. Case studies – with patient consent
3. Literature reviews
4. Historical research
5. Research performed on artificial model
6. Evaluation performed during pre-operative session – with receipt of informed consent

CONFLICT OF INTEREST DECLARATION

Presentations must be objective and free of commercial bias and any information regarding commercial products or services must be based on scientific methods generally accepted by the medical community. When discussing therapeutic options, speakers are asked to use only generic names. If it is necessary to use a trade name, then those of several companies are to be used. Further, should presentations include discussion of any unlabeled/ investigational use of a commercial product then speakers are required to disclose that information to the audience.

Please choose one option:

- I declare that there are no conflicts of interest or support that may cause bias in my presentation.
- I confirm that I am aware of conflicts of interest in my presentation. I agree to declare this conflict of interest at the beginning of my presentation during the meeting.

COPYRIGHTED FIGURES

Please choose one option:

- I declare that there are no copyrighted figures, images in my presentation.
- I declare that I have obtained permission from the owner of the copyrighted figures, images in my presentation.
